Title: Accessing the Latelab (Library Clips)

Author: Swinburne Library

Audio/video for this transcript available from: <http://commons.swinburne.edu.au>

Latelabs are computer labs at Hawthorn, Croydon and Wantirna, that give you extended access outside of Library open hours, using your Swinburne ID card.

Access the Hawthorn Campus Latelab via the John Street entrance, this also gives you access to the Library during open hours.

Croydon and Wantirna Latelab entrances are located next to the Library main entrance.

Facilities include PC and Mac desktop computers, print and copy areas, meeting rooms, casual seating and many collaborative spaces.

IT Rover help is available at certain hours.

Security staff are easily contactable and will check the Latelabs regularly, so make sure you carry your Swinburne ID card at all times.

The Hawthorn Latelab is open 24 hours a day, seven days a week except for some public holidays.

Croydon and Wantirna Latelab hours are Monday to Friday 7am -9:30pm and 8am-6pm on Saturdays.

Closures will be advertised on the library website.

If you have any other questions, speak to a Library staff member, contact us online or visit the library website.
