Title: How to apply for a professional placement

Author(s): Professional Placements

Year: 2019

Audio/video for this transcript available from: <http://commons.swinburne.edu.au>

Great job! You're already taking your first step towards getting a placement. So, what's next? You only need to meet a few criteria to be eligible for a placement. And the odds are, you already have these.

First, register your interest online at swin.edu.au/professionalplacements. Once you're all set, we'll help you write a CV and cover letter and help you prepare for your job interview providing useful workshops along the way.

From there, you will have access to all of our placement opportunities and can apply for as many of like.

We'll be by your side the whole time, even while you're at work.

So why wait? Get a head start now.
