Title: Welcome (Library Clips)

Creator: Swinburne Library

Audio/video for this transcript available from: <http://commons.swinburne.edu.au>

Welcome to the Swinburne Library.

We're in the Hawthorn Library right now but we have libraries at Croydon and Wantirna too.

You can find lots of information and resources here and even more online.

Use your student id card to borrow books, equipment, and access online resources. You can also borrow books using the Swinburne app.

Every campus library has places to study including designated quiet zones. Group study rooms at Hawthorn can also be booked online.

This is the Hawthorn Latelab. Your student card gives you automatic access 24/7.

You can also connect to our wireless network using your own laptop or mobile device. Rovers can help you get connected.

Each library has printers, scanners and photocopiers that you can use. There are also chutes where you can return your books anytime.

Take some time to explore our website. It's a great place to access resources and discover more about Swinburne Library services.

If you have any other questions speak to a library staff member or contact us online.
