You can book the Special Collection Room via the Library Website.

To access the room, pick up the key from the Service Desk.

The collection contains historical material including issues of Architecture and Arts, Australian Home Beautiful and Art in Australia dating back to the early 20th century.

There are also books, leaflets and ephemera.

The room also houses some useful design tools including method cards and colour charts.

Many items need to be handled with care as they may be old and fragile.

You can photograph, scan or copy pages for research or to use in assignments.
